Dear Nick:

Subject: Asbestos Assessment Services RFP

Attached for your files is a copy of the bid document for the asbestos assessment services for the Industrial Complex. Included with the document are three addenda that were issued subsequent to the initial RFP based on bidder's questions received during the bidding period.

As you are aware, we anticipate beginning the asbestos assessment work as soon as we receive EPA consent on the selected subcontractor. Our subcontract procurement consent memorandum is being sent to you and EPA's Contracting Officer, Pat Brunner, under separate cover.

Should you have any questions concerning this submittal, do not hesitate to call.

Sincerely,

CH2M HILL

Joan Stoupa
